Form 08-9

APPLICATION FOR REGISTRATION OF STUD SIRE
Fee \$28.13 (inc. GST)

NZGRA: GST # 14-220-208

A Stud Sire cannot be registered until DNA is completed. Where a DNA test has not already been completed, please advise the NZGRA of the vet you wish a testing kit to be forwarded to. Services performed prior to a DNA test will require all resulting puppies to be DNA tested before they can be registered.

In consideration of the New Zealand Greyhound Association granting this application to register the greyhound described in the schedule herein, I agree to be bound by and to comply with all such rules in respect of registration and breeding as shall for the time being and from time to time by the said association and all decisions that shall from time to time be made there under by the association or by any other authority or person authorised under such rules to make the same.

I further agree that as a condition of registration and intent of registration that:

- a) The number of bitches to be served by the greyhound, which is the subject of this application, shall not exceed 14 in number in any one calendar month, or such lesser number as the association may determine.
- b) That if the greyhound referred to in this application shall fail to produce 10 litters from each 20 bitches served, that I shall, within seven (7) days of receiving notice from the association, present the said greyhound to a professional person specified by the association so that the veterinary tests may be carried out on the dog.
- c) That I will accept responsibility for payment of any veterinary fees incurred by a direction of the association in relation to fertility testing of the greyhound referred to in the schedule.
- d) That if the test referred to in the preceding clause (b) are not to the satisfaction of the association then the Association shall have unqualified right to suspend the stud registration for one (1) month and at the end of this period, I shall submit the dog to further tests if required by the association.
- e) That if the dog shall fail to produce veterinary tests to the satisfaction of the association, then I shall be sufficient reason for the association to suspend the dog's stud registration until it is satisfied that the dog can perform its stud duties in proper manner.
- f) I clearly understand that the association shall have to right to publish the number of services by the dog referred to herein and the number of litters produced from such services.
- g) That I will retain from using any advertising relevant to the stud sire which in the opinion of the association could be false or misleading.
- h) That if required I will furnish conclusive proof, to the association, which would verify the accuracy of any such advertising.
- i) That any weight advertised shall be the last registered racing weight of the stud sire.
